

# HEADLINE CATHEDRAL PROJECT

The students created a newspaper and began creative writing assignments like this.

## **If I Was a Church Mouse**

We started of with measure how mush feet it was to get to the church from the school and then we measure from the school to the pizza shop to see what one was shoart. it was 32 feet to get to the pizza shop. Then we measure with are real feet and it was 925f. the wether was kind of chiley. We stater at 12:00 we end at 2:00.
