

Student Work

Dear Mr. Gardiner,
My favorite part is when
Willy won the race.
I loved Searchlight.
Why did Searchlight have to die?

Your fan,
Bonnie

"Yes I was."
If you got a new dog what would you name it?
"I would name it Searchlight."
Did you get a new pet?
"No."
Did you think you were going to lose?
"No."

New Ending

Stone Fox was catching up. Stone Fox was right beside him. Then
Searchlight zoomed ahead and jumped over the finish line
and Willy got the \$500 and bought the farm back.
