

# Day 1

What I did  
working on  
my clock today.

DAY 1

Today I learned about  
what the Koo Koo Clock Company  
was. I choose my geometric  
shape and drew it on my  
packet.

---

---

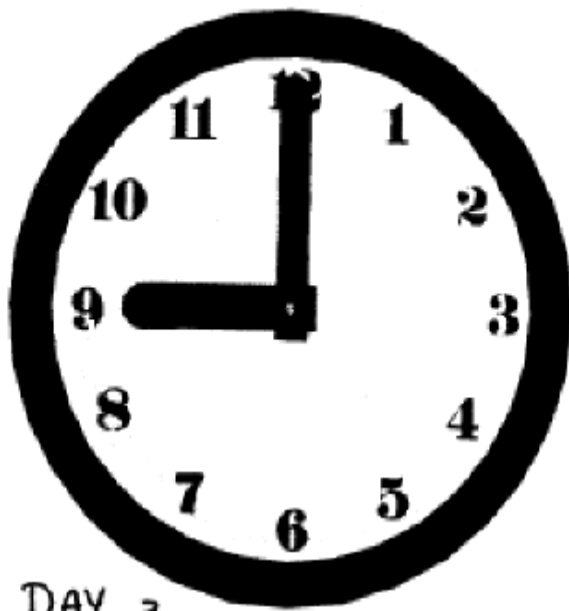

# Day 2

What I did  
working on  
my clock today.

DAY 2

I learned how to  
measure Perimeter. We  
also measured one as a  
Class.

# Day 3

What I did  
working on  
my clock today.

DAY 3

I made a full size  
Pattern for my clock.

---

## Day 4

What I did  
working on  
my clock today.

DAY 4

Some far I have traced  
my clock and had it  
cut out. Then the belt sander  
had a mastack but mr. Clark  
fixed it then we  
got it sanded then  
we had this thing  
make the sides smooth

# Day 5

What I did  
working on  
my clock today.

Day 5

Two high school kids  
came down and we put  
the gears and the number  
on our clocks.

# Day 6

What I did  
working on  
my clock today.

Day 6

Day 6 we took our  
clock home I gave  
my clock to my mom  
and Dad.
