

Lesson 6 (2 days)

Working in small groups, students investigate one of the topics listed below using the library resources and the computer lab, and prepare a brief oral presentation for the class to report their findings.

1. Money spent on tobacco advertising and promotion
2. Tobacco industry advertising and promotion targets youth
3. Health effects of smoking on young people
4. Government regulation of tobacco company advertising and promotion
5. Tobacco use in the movies/television
6. Trends in teen tobacco use
7. Alcohol use in the movies/television
8. Trends in teen alcohol use

Students use the “Group Report Organizer” to organize their thoughts.
