

Steps for Creating a Glogster Poster

1. In the Big Pink Box on the left, click on the gray tab "Create Glog Now".
2. Click on any of the current features that you wish to delete, and then click on the pink trashcan to remove the item.
3. Start with the Text button to choose your title. Your title is **Morristown, New York**. Size the title with a larger font and choose an appropriate frame from the EDU category.
4. Click on the Image tab on the left, and find your folder of pictures.
5. Once you have selected the photograph you would like to use, click Use it button. Then, click on Frame it button and pick a simple frame under the EDU category.
6. Then, click on text to add a caption to your picture. Describe the details of Morristown that your picture is showing.
7. Repeat steps five and six to have ***at least 3*** pictures and captions on your poster.
8. Once you are finished, arrange all images and captions so that they can be seen and read.
