

wolf

- Today most wolves live world wide. Usually they travel all over in order to find food.
- Animals that they kill are usually young, or old and other wise weaker.
- The top male wolves are called the ALPHA male, and the top female dog is called ALPHA female.
- Wolves get to together to hunt, when they do the members of the pack gather around. They greet each other by howling, this may become very LOUD. It warns other wolves to stay out of the pack territory
- The life span of wolves is longer then ten years.

By. JamesRyan

- They hunt in packs
- Wolves have a specific territory in which they live in and hunt in.
- There home is often called a den, it could be a hollow log, or a cave.
- Female wolves can give birth 1 to 11 pups.
- Wolves communicate by howling and other vocalizations, and also by marking their territory with urine.

CATEGORY	4	3	2	1
Organization 4	Information is very organized with well-constructed paragraphs and subheadings.	Information is organized with well-constructed paragraphs.	Information is organized, but paragraphs are not well-constructed.	The information appears to be disorganized.
Quality of Information 4	Information clearly relates to the main topic. It includes several supporting details and/or examples.	Information clearly relates to the main topic. It provides 1-2 supporting details and/or examples.	Information clearly relates to the main topic. No details and/or examples are given.	Information has little or nothing to do with the main topic.
Diagrams & Illustrations 4	Diagrams and illustrations are neat, accurate and add to the reader's understanding of the topic.	Diagrams and illustrations are accurate and add to the reader's understanding of the topic.	Diagrams and illustrations are neat and accurate and sometimes add to the reader's understanding of the topic.	Diagrams and illustrations are not accurate OR do not add to the reader's understanding of the topic.
Internet Use 3	Successfully uses suggested internet links to find information and navigates within these sites easily without assistance.	Usually able to use suggested internet links to find information and navigates within these sites easily without assistance.	Occasionally able to use suggested internet links to find information and navigates within these sites easily without assistance.	Needs assistance or supervision to use suggested internet links and/or to navigate within these sites.
Sources 3	All sources (information and graphics) are accurately documented in the desired format.	All sources (information and graphics) are accurately documented, but a few are not in the desired format.	All sources (information and graphics) are accurately documented, but many are not in the desired format.	Some sources are not accurately documented.
Mechanics 1	No grammatical, spelling or punctuation errors in the pamphlet.	There is one grammatical, spelling or punctuation error in the pamphlet.	There are two grammatical, spelling, or punctuation errors in the pamphlet.	There are more than two grammatical, spelling, or punctuation errors in the pamphlet.
Use of Class Time 4	Used time well during each class period. Focused on getting the project done and did not distract others.	Used time well during each class period. Usually focused on getting the project done and did not distract others.	Used some of the time well during each class period. There was some focus on getting the project done, but occasionally distracted others.	Did not use class time to focus on the project or often distracted others.
Neatness and Attractiveness 3	The pamphlet is exceptionally attractive in terms of design, layout, and neatness.	The pamphlet is attractive in terms of design, layout, and neatness.	The pamphlet is acceptably attractive though it may be a bit messy.	The pamphlet is distractingly messy or very poorly designed. It is not attractive.
