

## Unit 3 ~ Internet Research

Our next unit is going to be Internet research. The topic we will use for our research has to do with where our ancestors came from, and where our roots are. This information is what makes up our nationality. So, what is your nationality? You will use your nationality/country of origin to research and obtain answers to the following questions. Please use the chart below to gather your research information. This information will be used in our next unit, which will be to word process your autobiography. If you need more room to write, please ask for more paper.
